An Energetic, Hilarious, Value-Focused Expert in Career Balance and Authenticity

Alaina G. Levine is an award-winning keynote speaker, career and speaking coach, TEDx speaker, science writer, and corporate comedian. She is the author of two books, *Networking for Nerds* (Wiley), which beat out Einstein (really!) for the honor of being named a Top 5 Book of the Year, and *Create Your Unicorn Career!* (forthcoming). As President of Quantum Success Solutions, LLC, she is a prolific speaker, emcee, and expert on career and workforce development, networking, and leveraging failure for innovation, and masterfully weaves these concepts together with an emphasis on diversity, equity, inclusion, and belonging.

Alaina has delivered ~1000 speeches for clients in 15 nations and 5 continents, and has written close to 500 articles in publications like Science, Scientific American, National Geographic News Watch, World Economic Forum, and Smithsonian, including her popular “Your Unicorn Career” column, which appeared in Science. She studied at the American

University in Cairo as a US Department of Defense Boren Fellow, and holds bachelor’s degrees in mathematics and anthropology from the University of Arizona, where as a student, she competed in national billiard tournaments under her moniker, Lady Dyn-o-mite.
